AGENDA

Public Participation

In law, members of the public are not allowed to speak when meetings of the Parish Council are in session. The Council recognises, however, that members of the public may wish to make submissions related to items on the Agenda or raise concerns for discussion at a future meeting and will therefore permit them to do so briefly in the Open Forum. Once the Open Forum ends no further public participation will be allowed, unless specifically invited by the Chairman/Clerk for a point of clarification, in which case a vote will be taken to suspend standing orders. (See Notes for the Public Attending Parish Council Meetings).

Please note we will not allow public to speak unless a submission has been made in advance of the meeting.
